

MEEZA wins Best Cloud Services Award 2011, at the Data Centres Strategies Awards 2011, Dubai

Doha and Dubai, 16th November 2011

November 2011: MEEZA has won Best Cloud Services Award 2011 at the third Data Centres Middle East conference in Dubai. MEEZA was recognised by the Data Centre Strategies forum for their outstanding contribution to the Development of Cloud Services across the region. This prestigious regional award offered companies engaged in the data centre industry wide recognition and outstanding marketing differentiation and, as such, attracted award nominations from across the region.

MEEZA Chairman and CEO, Rashid Al Naimi said "MEEZA is honoured to receive the Award for Best Cloud Services Award 2011; delivering industry-leading Managed Services and Cloud Services are key part of MEEZA's core strategy. MEEZA services enable Small and Medium Enterprises to reduce time to market, reduce costs and focus on their core business. We are proud of our achievements and plan to continue delivering world-class IT solutions to Qatar and the region."

MEEZA, the managed IT services and solutions provider based in Qatar, delivers a wide range of IT services to clients. These services, including Managed Hosting and Cloud Services packages, enable companies to focus on their core business whilst MEEZA handles the delivery of IT. Cost effective and flexible IT packages provide optimised infrastructure, operating systems and applications hosted in MEEZA's high-availability data centre in Qatar.

Cloud services deliver technologies and applications over the Internet. Small and medium businesses have been among the most aggressive adopters of cloud services; by purchasing software as hosted- or subscription-based services, businesses reduce up-front costs and are free to focus on their businesses (without requiring large in-house IT expenditure).
