

MASRAF AL RAYAN ENGAGES MEEZA FOR I.T. SERVICES

Doha – February 4th, 2009: MEEZA has signed an agreement with Masraf Al Rayan, a pioneer in banking in Qatar and across the region, to provide it with highly available, scalable and secure Data Centre Services.

MEEZA (www.meeza.com.qa), a Qatar Foundation joint venture, delivers a full suite of Managed IT Services and Solutions to the market and is focused on service excellence. MEEZA officially launched its services to the market last November, announcing a QR125 million agreement with Vodafone Qatar at its launch event.

MEEZA will be supporting Masraf Al Rayan from M-VAULT T3, its Tier III Data Centre, which is the first of its kind in Qatar and is located at a highly secure location within the Qatar Science and Technology Park. M-VAULT T3 offers clients 99.98% availability which is the highest level of availability offered from any commercial Data Centre in Qatar.

“MEEZA is proud to be able to contribute to the success of Masraf Al Rayan through this agreement. By delivering high quality Managed I.T. Services and Solutions, we aim to support the growth and success of companies like Masraf Al Rayan in Qatar and across the region” stated Mr. Hamad Al Mannai, MEEZA Deputy CEO.

Masraf Al Rayan was voted the Best New Islamic Bank in 2007 and is committed to improving service levels in banking. The high levels of availability and security delivered by MEEZA will enable the bank to deliver reliable and efficient banking services to all their customers.

Mr. Adel Mustafawi, CEO of Masraf Al Rayan, stated “Our relationship with MEEZA will enable Masraf Al Rayan to continue to deliver the best levels of service and security to our customers.”

In the future, Masraf Al Rayan plans to utilise MEEZA's portfolio of Managed Services to support its growing I.T. requirements as it expands its business within Qatar and across the region
