

Award follows the company's launch of Qatar's first Commercial Security Operations Center

MEEZA Recognized as the “Leader in IT/Technology” at the 4th Annual Arab Investment Summit

Doha, Qatar – 12 September 2013 – MEEZA, the leading IT services and solutions provider in Qatar, has been recognized as a “Leader in IT/Technology” at the 4th Annual Arab Investment Summit held in Abu Dhabi last September 10, 2013.

The award was received by Jean-Philippe Sohier, Chief Marketing Officer of MEEZA on behalf of Rashid Al Naimi, CEO of MEEZA at a function held in conjunction with the 4th Annual Arab Investment Summit. The event was attended by decision makers from the most prominent investment & financial organizations, high net worth individuals, government officials and business leaders from across the Arab world.

Commenting on the award Jean-Philippe said, “To be recognized as the leading IT Company in the Arab world for the second consecutive year is truly an amazing feat and we are very proud of this achievement. This recognition follows the launch of Qatar’s first Commercial Security Operations Center by MEEZA. These accomplishments are clear evidence of MEEZA’s commitment and never-ending quest for regional leadership in our field, and in line with our efforts to contribute to Qatar’s economic growth and successful achievement of the Qatar National Vision 2030.”

About MEEZA:

MEEZA, a Qatar Foundation joint venture, is a managed IT Services and Solutions provider offering a wide range of services to clients, from creating and managing IT infrastructure to providing technology consulting. MEEZA has moved quickly to establish itself as the leader in the local IT industry, with the objective of helping to accelerate the growth of Qatar through the provision of world class Managed IT Services and Solutions.

MEEZA has a solid track record, not only in the delivery of solutions to our clients, but also in the provisioning of a full end-to-end service which covers the entire life-cycle of deployed assets, from design through delivery to on-going support.

MEEZA has the ability to deliver scalable, reliable and robust managed services solutions, which add real measured value. We deliver a service which leverages business benefit through IT, with reduced total cost of ownership (TCO) and increased Return on Investment (ROI). We achieve this not only through the skill and expertise of our staff, but also through the trusted, long-term relationships and accreditations we have with our technology partners.
