

MEEZA adds two ISO certifications to its long list of internationally recognized accreditations

Doha, February 12, 2017 – MEEZA, Qatar’s prominent end-to-end Managed IT Services & Solutions Provider, has announced that it is now certified for the ISO 14001 and OHSAS 18001 standards. The certifications, which have been awarded to MEEZA by SGS, Geneva, are the latest addition to a long list of ISO certificates that the IT Solutions Provider garnered over the years.

To become certified, MEEZA underwent a rigorous evaluation process its Environmental and Occupational Health and Safety Management Systems. Commenting on the Company’s accomplishment, Eng. Ahmad Mohammed AL-Kuwari, MEEZA CEO Said:

*“This is a major milestone in our journey towards improving MEEZA’s Integrated Management System based on different standards’ requirements. The *prodigious achievement not only proves our commitment to maintain high levels of internationally recognized standards in applying comprehensive Quality, Information Security, Environmental and Occupational Health and Safety Management, it will further strengthen our position as one of the leading Managed Security Solutions Service Providers in the region as well.*”*

He added: *“The two certifications are solid proof of our compliance and brings further credibility to our employees, customers, suppliers, partners, stakeholders, regulators and the community at large that MEEZA values, and cares about Health, Safety and the Environment.”*

ISO 14001 is the International Standard for Environmental Management Systems, which specifies the most important requirements to identify, control and monitor the environmental aspects of any organization.

This standard helps the organization to control the environmental aspects, reduce impacts and ensure legal compliance.

OHSAS 18001 is the internationally recognized standard for Occupational Health and Safety Management Systems which enables an organization to have control over, and knowledge of, all relevant hazards resulting from normal operations and abnormal situations, and improve its performance.

It can help organization to put in place the necessary policies, procedures and controls to achieve the best possible working conditions and workplace health and safety, aligned to internationally recognized standard.

In addition to the two newly awarded certifications, MEEZA has also been the first IT services and solutions provider in Qatar to achieve the certifications for ISO 27001:2013 (Information Security Management System), ISO 9001:2008 (Quality Management System), and the ISO 20000-1:2011 its IT- Service management System

With a wide range of ISO certifications under its belt, MEEZA is once again raising the bar of services and operational standards for IT Solution Providers in Qatar and the region.
